The theme this year is **Relay Around the World**. **Karen Anderson Ham** encouraged us to participate and shared her story of 16 family members effected by cancer including the loss of her mother to the disease. Our Reason to Relay

Hi

Join us at the American Cancer Society Relay For Life® or make a donation to our team and help us support the fight against cancer!

Fighting cancer is a team effort. The impact we can make together is much greater than what any of us could do alone.

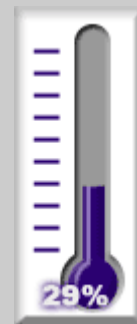

By supporting our team, you will be a part of a life-changing event that celebrates the lives of those who have battled cancer, remembers loved ones lost, and empowers all of us to fight back against a disease that takes too much.

Bill

Please join us in our fight against cancer!

What is Seafood Fest?

Since 1986, the Houghton Rotary club has been pleased to bring to the community the annual event known as Seafood Fest.

An appetizing array of seafood delights served by smiling, friendly Rotarians awaits you at this fundraising event, held down at the City of Houghton's waterfront as a part of [Bridgefest](#).

All proceeds from this event go towards community projects; thanks for your support of bettering our home and community!

When is Seafood Fest?

Seafood Fest is held every Father's Day June 19 & 20

What Can You Do?

Pre-sale of tickets is vital to the success of the event. Sell those tickets!

Members are each responsible for working four shifts.

(If you are unable to work, arrange for someone to work your shifts.)

President's Corner

Our club has its two largest fundraising events of the year coming up in June. Both events are dependent on the participation of the members of the Houghton Rotary Club. Participation is two-fold.

#1 – Show up

#2 – Raise money

Remember that any fundraiser serves three purposes.

- Raise funds
- Raise awareness of Rotary
- Enjoy the opportunity for fellowship

We have great teams working on these events. Scott Blake is our leader for the Seafood Festival and Bill Musselman is heading up our Relay For Life Team.

The success of these events requires
your support!
